Judges Training and more March 17 in Chapel Hill

By Ron Kuligowski, CJC VP events

The March meeting will be held at Dr. Jack Griffith and his wife Karen Allred's home at 7515 Kennebec Road in Chapel Hill on St. Patrick's Day, March 17. Please arrive near 10:30 AM for coffee and donuts to socialize and view Jack's collection of fine autos. We will have a brief meeting during lunch in Karen's piano practice hall where we hope she will do a bit of entertaining.

Then Ed Howey will do our judge training for this year. This is required for continued certification and will allow new members to learn what is done during concours sanctioned events. You can find out what is involved and what needs to be done to prepare your own car for participation. I know my certification expired so I am looking forward to updating my registration. for the concours year. There will be a quick open book exam given. No need to fret as this is very easy.

Thanks to Jack and Karen for opening their home to us. We will have a box lunch so I need to know who will be attending by March 12. I will send an email blast with choice of food and cost to members before March 9
Please reply to me at kuligows9@aol.com or at 919 967-0391 . Any questions?

CJC PRESIDENT

The February meeting this past Saturday was attended by 53 old and new members at the Starmount Forest Country Club in Greensboro. We enjoyed a talk by Philippe Dorier, regional director, Ferrari Club of America -Southeast about their March 12 VIR event. They are hosting two days of full-track racing experience.

It's an exciting time to be a member of the CJC! There are so many events this year as Ron Kuligowski covered in his review of 2018. There is something for everyone – whether you want to show, display or simply enjoy the comradery of Jaguar enthusiasts – we have it all! Due to space limitations the minutes for the meeting will be published in the March issue of the LB.

Our March meeting is when our chief Judge, Ed Howey, conducts the judges training for those of us that need to update our current judging credentials or for those that want to become judges or for those who want to learn more about how Jaguar models are judged. Ed is a great teacher and ensures that everyone passes the test at the end of class. Really!

And, speaking of upcoming events, Scott and I just received our registration information in the mail for The Gathering, April 20-22 at Shelton Vineyards (yes, there will be wine!) in Dobson, NC. As noted on their mailing, if you're planning on showing your Jag, registration must be postmarked by March 15. You may also register online at www.triumphclub.org. Our April meeting will be on Saturday, April 21 at The Gathering.

We need 'all hands-on deck' for our concours in Little Switzerland, July 12-15. Please considering volunteering at this event. If you're a new member, you may want to consider signing up to work the registration desk. This would be a great way to meet people as they arrive at the hotel's lobby. Or, sign up to help set up and monitor the silent auction where there is a lot of member interaction. I'm thinking of getting a referee for the silent auction this year to keep some over-zealous bidders (Ann Rhyne) from holding me back from bidding on an item that.... oh, well. That's a whole other story. And my version, the truthful one, would take too much room here. Suffice to say, I'm doing push-ups, Ann. See the Calendar of Events page for more details on upcoming events.

The silent auction

By Barbara Ann Caudill

The silent auction chair persons, Barbara Ann Caudill and Coleen Lloyd-Roberts want to remind everyone to think about gathering items for the auction held at our con-course in July. You may have Christmas gifts that you can't use or businesses that you frequent who may be willing to give you an item or a gift card. Let's all of us work together to make this fundraiser a truly spectacular one.

IN THE REARVIEW MIRROR (Part 8) by Bill Bingham

Day Trippers

This month Rearview revisits the itinerary of a February 2005 day trip/monthly meeting planned by CJC member Jim Morton and described by him in the January 2005 Litter Box. It's a reminder of how much we can see right here in North Carolina in a day -- including some of the oldest mountains in the world.

CJC to Tour Uwharrie Forest in February by Jim Morton

"CJC members love to drive their Jaguars. February's meeting will combine driving in the Uwharrie National Forest with several very special events. Set Saturday, February 12 aside and plan to join us.

We'll start at 10 a.m. at the new Richard Petty Museum in Randleman. (Rearview Note: The Richard Petty Museum moved to Level Cross in 2013.) ... King Richard, 7-time Winston Cup champion, and wife Lynda are real collectors. See racecars, trophies, and his collection of pocketknives, guns and belt buckles ... and Lynda's collection of 940 special dolls....

There is an alternative that involves no more driving, but time prevents us from doing everything. If you are interested in the American Classic Harley-Davidson Museum (free) and/or the NC Aviation Museum (10-4, \$5), both in Asheboro, contact me for directions.

Next, we'll have a 20-question rally whilst motoring south to scenic Asheboro and into the Uwharrie National Forest on our way to lunch.

The Uwharrie 'Mountains' aren't big now, but they are the remnants of an ancient chain of volcanic islands active some 600 million years ago. ... They may be the oldest mountains in the world according to several sources.

Lunch will be spectacular, we promise! In our own dining room at the private Old North State Club at Uwharrie Point, overlooking Badin Lake. ... Badin Lake was formed in 1913 when a French company dammed the Yadkin River to generate power for an aluminum smelter. ... Following lunch and our February meeting we'll go back into the National Forest and past a covered bridge on our way to Rt. 220 and Seagrove. For over 200 years Seagrove has been a pottery making community, and 80 artists have studios in the area. We'll meet at the NC Pottery Center downtown (10-4, \$2) and then split off to visit various potters in the area before you head for home on your own schedule."

For the club members who made this day trip in 2005, it was a smorgasbord of racing history, local crafts, good food, and back road touring. Sound like enough for a day trip in central North Carolina? If not, you can see Indian artifacts at Town Creek Indian Mound (www.nchistoricsites.org/town/) or look for Bigfoot at the Eldorado Outpost (<https://www.ourstate.com/bigfoots-backyard>). Spring is coming! Happy Trails.

on a hill (no not our, it is Rasheed Wallace's place). Stay on Kepley around the turn and you will see Kennebec Road on the right. There is a sign at the intersection "The Downs" that sign is on our land. Drive a couple hundred yards down Kennebec to our drive. First house on the left, past the horse riding arena. Ample parking in front of the house or back by the garage.

Phone: Jack cell: 919 270 5626

From Cary and US 64, you can take 64 toward Jordan lake and then at Wilsonville which is the last light before the lake, turn right on highway 1008 (Farrington Road) and drive north roughly 15 miles. You will go over Jordan lake twice and at a Y intersection, go right. Kepley is 2 miles beyond that Y junction.

Stroll around the beautiful grounds of the largest family-owned estate winery in North Carolina, while enjoying the sight of great British cars of all marques! Last year, over 300 cars attended representing over 10 varying marques!

For lunch, you can bring a picnic or, better yet, sample the wonderful faire offered by Shelton's Harvest Grill Restaurant. Also, Shelton's will offer Hamburgers and soft drinks at the Harvest Grill Express.

Register early and save! Register early for only \$25. Registrations postmarked by March 15, 2018 will save \$10. Registration is \$35 after March 15

Two Generations of E-Type Passion

By Bill Denning, CJC member

When the E-Type arrived in the early 1960's, I went to see the one in Jake Kaplan's Jaguar dealership in Providence, Rhode Island. The car in the showroom was a breathtakingly beautiful green Fixed head Coupe (FHC). That was it! The hook was set! However, being a poor college engineering student, there was no way I could afford this beauty, so I would have to wait. While there, I decided to look around in the back. In those days one could walk around the service area without fear of being thrown out because of liability insurance. As I was admiring the cars I saw a C-Type being worked on; and it had a "FOR SALE" sign on it. Price? How about a staggering \$5000! Back then one drove his race car to the track, raced it, and drove it home again. I will never forget returning home after watching a race at Thompson Raceway in Connecticut. There, in front of a nearby bar, was a C-Type parked out front! Those were the days!

Fast forward to 1971. After graduating from U.S Navy test Pilot School, my Jaguar fever was still alive and well. Living in Patuxent River, MD I saw an ad for a 1965 FHC near Washington, DC. So, my 6 year old son, Mike and I went to see the car. The owner drove the car from a garage behind his house on another street and, when the car came into view, I knew it was going to be mine. We agreed on a price. The rest is history. The jaguar spent a lot of time in storage while I was deployed with Fighter Squadrons aboard aircraft carriers.

I have kept the car for 46 years and enjoyed driving, maintaining, and finally restoring it to Jaguar Concours condition as it sits today.

Well that 6 year old son caught the Jaguar E-Type fever to and recently came upon a 1970 E-Type roadster barn find in Virginia Beach, VA. It took a few weeks to make the deal, but soon he was trailering it home. He got it running nicely and has enjoyed driving it and getting many thumbs up passing motorists and admirers.

Here in New Bern, NC. The local car club sponsored a car show with 165 cars of all types. Living 3 hours away, Mike brought his Jaguar here and we both showed our E-Types. We were parked beside each other and got a lot of attention. One does not see many XKE's in a muscle car rich area.

Cats resting in Bill's garage the night before the show .

In short, it was a great rendezvous for both of us. Mike's clutch is close to biting the bullet and when that goes, he will begin his restoration adventure.

My FHC left and Mike's Roadster parked beside each other at the car show.

So, here in the Carolinas, the passing of the Jaguar XKE torch lives on.

2018 CJC Concours Update

By David and Rhonda Ballard

Concours Co-Chairs

Hello, all! The 2018 CJC Concours – affectionately known as “Head for the Mountains” – will be held in Little Switzerland at the Switzerland Inn (www.SwitzerlandInn.com) starting Thursday, July 12 through Sunday, July 15. Doing the math, this is only 144 days (or 20.5 weeks) from today!

Things for you to do NOW:

Contact the Switzerland Inn at 800-654-4026 to either confirm your room pre-reservation from 2017, or begin a new registration. They may be closed for the season, but they'll return your call if you leave a message.

NOTE that the Inn fills up quickly, and there are not many other lodging options within a 10-mile radius.

Plan to attend the March 17th CJC meeting, where Ed Howey will define for you the criteria used in the judging process. Even if you don't show a car, the info is priceless!

Send us an email (CarolinaJagMan@carolina.rr.com) with your thoughts:

Should we offer a Thursday night casual “cook-out” dinner (approximately \$20/person), including hamburgers, hot dogs, beans, corn, etc.

Destination or route for our Friday Drive event

Your interest for volunteering (see below for all the ways you can get involved).

For those who missed the February Meeting, this will be our last year to co-chair the Concours, so we'd love to have someone (person, couple, friends, etc.) work with us this year to “learn the ropes” for 2019. It's fairly painless – and very rewarding! If you are organized, you can do this!

The Concours schedule of events will be similar to 2017's, and we will follow the same general format of years past. As details firm up, we will keep you informed via blast emails, Litter Box articles, and meeting updates.

One item we talked about in the February Meeting was the need for **VOLUNTEERS**. The Concours is a production. It takes planning and execution on our part to bring you the fun and excitement you've come to expect. It also has many tasks that need to be organized to ensure a smooth weekend ahead. If we all chip in just a couple of hours each, everyone will benefit. The following are the positions and activities you can choose to help with:

Registration / Welcome Committee - short 2-hour shifts of 1-2 people each would be awesome

Thursday 3-5pm

Friday 9-11am

Friday 1-3pm

Friday 3-5pm

Saturday 8-10am

Field Masters – 2-4 people for each of these would work well

Setup/Layout the Field – Friday 3-5pm

Judged and Display Car Parking – Saturday 8-10am

Photographers

Informal photos, taken of folks having fun, emailed/shared with Awards Presentation Lead

Formal photos, taken of all judged vehicles with owners, for the formal Awards Presentation

Judges / Runners / Scorers / Scrutineers

Please contact ED HOWEY directly for these positions (DEH1001@comporium.net)

Judges training to be held at the March 17th CJC meeting

Silent Auction

The team will need both volunteers and donations!

Donations can include new or used items, crafts, gift cards and certificates for services, etc.

Friday Night Guest Speaker

In 2017, we hosted an evening with Joe Pepitone, who creates automotive portraits, and has been featured in Hemmings Classic Car Magazine. (www.pepitonecreativeservices.com/Auto/portfolio.html)

We need an engaging speaker, for a 30 to 45-minute presentation related to the industry, to the brand, or somehow engaging enough for our participants to enjoy.

May include a video, or presentation, or other media

Fund-Raising

Reminder that this is our main fundraising effort for our end-of-year donation to the USO of NC

We try to keep the pricing reasonable for attendees, though our costs go up each year.

We look to our Sponsors and Advertisers, amongst others, to help offset costs.

North Carolina MG Car Club's Triangle British Classic Car Show

May 19, 2018 will mark the twenty-second annual North Carolina MG Car Club's Triangle British Classic Car Show. It is again being held at North Hills, in Raleigh, NC, where there is something for everyone. This is a wonderful opportunity to see more than 125 cars representing over 60 years of British motoring history. Come join us for great family fun. We are sure you will have a wonderful experience and a fun-filled Saturday.

There will be the car show, regalia for sale, raffle prizes, and a 50/50 drawing. This year we will again have a Hot Wheels car race for children—the cars will be provided and each child will be allowed to keep the car he/she races.

There is no charge for spectators, who can vote for their favorite car. Just pick up a spectators' ballot at the voting booth beside the Regalia table.

The first 150 registered cars will receive dash plaques. Early registration will close on April 14th. Registration must be postmarked by that date to be considered early. All early registrants will receive a free car show t-shirt. Early registration is the only way to guarantee that you receive a t-shirt. A limited number will be available for purchase at the registration tent and at the regalia tent. All early registrants will be entered in a drawing for a \$100 gift card.

You can find the information about the car show along with a registration form at <http://www.ncmgcarclub.org/>.

Brand new full harness for Jaguar XK150DHC (dual bulb tail lamp model)
During the restoration of my late 1958/early 1959

XK150DHC, we ordered the wrong harness in error. The error was only discovered during fitting. It turns out that my vehicle was a few numbers short of the one for which the harness is designed. The harness for sale is for a mid-to-late 1959 model with DUAL BULBS in the tail lamps (Oct. 1959 onwards, #838458 onwards). Because we had opened the package the supplier would not take it back, so we had to buy a new one. The wrong one was carefully removed and is packed carefully in a box ready for shipping.

Detailed photos of each component available upon request.

\$450 OBO plus \$35 shipping.
