CJC To Gather April 21 at Shelton Vineyards

By Ron Kuligowski, CJC VP of Events

The April meeting of the Carolina Jaguar Club will be held April 21st during **The Gathering at Shelton Vineyards, in Dobson, NC.** The event is sponsored by the Triumph Club of the Carolinas annually at this venue. It has always been a favorite of CJC members as the first auto event of the year. Many of our Western NC and VA members usually turn out for this meet. It is an opportunity to get our Cat out of the garage and wash and show it with many other British marques. The Gathering's Participants' Choice Car Show! Stroll around the beautiful grounds of the largest family-owned estate winery in North Carolina, while enjoying the sight of great British cars of all marques! Last year, over 300 cars attended representing over 10 varying marques!

For lunch we often have a shared picnic lunch among our Jaguars or sample the wonderful faire offered by Shelton's Harvest Grill Restaurant. Reservations are recommended, (336) 366-4724). Also, Shelton's will offer Hamburgers and soft drinks at the Harvest Grill Express. Check with other members to organize.

The voting is by popular choice so it is good to be near your car to answer questions or just stroll the grounds to view the wide variety of British cars. Awards are made mostly by 3PM. Participants have an opportunity to taste some very good local wines produced at this vineyard. Tours are available as well as wagon tours of the vineyards.

This is a very good way to meet friends and kick off the Spring driving season. To register, go on line to the Triumph Club of the Carolinas website as soon as possible. www.triumphclub.org

The Hampton Inn is usually booked by the first of the year but there are other hotels within a short drive. There are events during the weekend including an auto cross at the nearby community college on Sunday morning for those interested in trying out their skills and cars.

Hope to see you there.

BY
DIANE DUFOUR
CJC PRESIDENT

Our March meeting is this Saturday, the 17th and our chief Judge, Ed Howey, will be conducting the judges training for those of us that need to update our current judging credentials or for those that want to become judges or for those who want to learn more about how Jaguar models are judged.

Next week is the AGM (JCNA Annual General Meeting) which is in San Antonio, Texas this year. Ron Kuligowski and I are attending as CJC delegates. While our spouses enjoy the San Antonio sites, Ron and I will be taking copious notes on the current JCNA issues and giving you the highlights in the April newsletter.

Our April meeting will be on Saturday, April 21 at The Gathering at Shelton Vineyards in Dobson, NC. If you're planning on showing your Jag, registration must be postmarked by March 15. You may also register online at www.triumphclub.org.

An email was sent to all CJC members on March 3 concerning our concours in Little Switzerland, July 12-15. In that email, you were asked for your input about the Thursday night cookout; suggestions for the Friday drive destination; and a list of volunteer opportunities. Your comments, suggestions are welcomed and needed.

The 2018 JCNA International Jaguar Festival will be hosted by the Jaguar Owners Club of Los Angeles, October 31 – November 4, in Santa Barbara, CA. See the May/June issue of the Jaguar Journal for detailed information. It's too far for Scott and me to drive to this year. I'd have to pack a lot of hardboiled eggs for that trip. One of these days I must tell you about the story of the hardboiled egg.

Regards,

Diane

**A message from Bill Unger, CJC member
and GSBCC, Secretary & Newsletter Editor**

I thought that members of Carolina Jaguar Club might want to know of the recent passing of George Robinson, a prominent Jaguar mechanic located in Surfside Beach, South Carolina. Many Jaguar owners in the area were assisted by George including myself. Below is a remembrance that I posted in our Grand Strand British Car Club newsletter.

**In Memoriam:
Jaguar George**

"Jaguar George" Robinson, born Aug. 30, 1958, passed away on Jan. 16, 2018, at MUSC in Charleston, S.C., due to influenza. George was 59 years of age. Although not a member of GSBCC, George was well known to several club members as the owner of Exotic Auto in Surfside Beach and as an expert extraordinaire in the maintenance of Jaguars. He was formerly the owner of Jaguar Specialists in Fairless Hills, PA. Services were held at Grand Strand Funeral Home in Surfside Beach, S.C., on Jan. 27.

As a post script:

George's widow Annie Robinson (tel. 843-516-1206) has reached out to our GSBCC members to let them know that she is trying to liquidate his shop inventory which includes many parts and project cars. George was basically a one-man shop with others assisting as he needed them, so an unfortunate resource loss in our area. This might be a great opportunity for someone in need of parts.

Amelia Island Concours

By Jerry Cohen

I joined Mike Rhyne, fellow CJC member and Petro-head (as they say at Amelia) in visiting the Amelia Island Concours for what has come to be known as the Pebble Beach of the east coast.

Mike and I packed up my 2010 XK coupe and headed south on Thursday morning March 8 on a brand new set of Continental all season radials. What a difference new tires make, but I digress.

We arrived just in time to take a behind the scenes tour of the RM/Sotheby's auction being held the next day. We did this at the offer of RM's Ramsey Potts another petro-head running on high octane. Mike and I learned about the preparations and logistics of pulling off an auction that has 35 to 40 million dollars of cars to be sold. We also learner how to bid and what the auctioneer's language signals to buyers and sellers.

Ramsey Potts

The next day we accepted an invitation from Hagerty Insurance to participate in a "ride and drive" in a collector car. Mike chose a 1964.5 Mustang 260 V8, 3 speed. I chose a 1960 Cadillac Eldorado convertible. Later in the afternoon we were Ramsey's guests at the RM Auction. With bidders paddles well hidden and sitting on our hands we enjoyed watching others bid. One of the most exciting parts was watching two people get in a bidding war over a 1931 Marmon Sixteen Coupe. It finally hammered at \$950,000 a new record for Marmons. (Cadillac then Marmon auction photo top R)

We were happy to run into fellow CJC member Lawrence Baxter at the auction and later at the show on Saturday.... "The three Amigos."

We plan on doing this again next year. If you love cars and people watching, this concours should be on your bucket list. There would be more but I am out of space.

JCNA AGM by CJC in CLT

By Bill Bingham

Man, don't you hate a bunch of acronyms if you're not sure what they mean. It's like a code for a secret society. However, no great mystery here. The Jaguar Clubs of North America have an Annual General Meeting every spring to conduct the business of the organization. At our club meeting in Greensboro in February, we elected two delegates, as every club in JCNA does, to represent our club at the 2018 AGM which is being held in San Antonio this year.

Every year a club is expected to host the AGM. In this article, I'd like to give you a look back at the last time CJC hosted an AGM.

Our current CJC was officially formed and affiliated with JCNA in 1992. In the Spring of 1993, CJC members Dave Eckrote and Jack Vaughn went to Seattle to participate in the first AGM attended by our newly formed club. Apparently one of the JCNA officials made a comment to Dave to the effect of "Why don't you guys host the AGM next year?" So...what could possibly go wrong? CJC is less than a year old and the members have pretty much zero experience regarding the AGM. However, Dave, who was pretty much fearless about this kind of stuff, said "Sounds like fun" and agreed to do it.

The 1994 AGM was hosted by CJC in Charlotte in the Spring of 1994 to rave reviews and generated tall tales for years to come. It was accomplished by a club that had 36 members at that time. Dave's thank you list will remind some of us who have been around a while of some of the stalwart members who have helped make the club go for many years: Jack and Fontella Vaughn, Harley Davidson, Bob Wasson, Ron and Karen Bennett, Mike Rhyne, Von and Sally Patterson, Norm and Patti Parrish, and Leland Kew.

Margaret and I joined CJC in 1997 and tales still abound of how a small group hosted the AGM on the fly in '94. Dave was club president in '98 and '99 and I served as vice president so I picked up a lot of the AGM stories (some over Glen Farclas and cigars in the hotel bar in London on our 1999 England trip).

I served as President in '00 and Dave, who remained the prime mover of much of our club activities at that time, said "Let's host the AGM again. It'll be fun." I told Dave that Margaret and I would be the co-chairs if he would agree to serve as President and be the face of CJC during the event if we hosted it. I didn't want to keep all the fun to myself.

In the Spring of 2002, Margaret and I travelled to Vancouver to make our presentation to the 2002 AGM and it was approved at that meeting that CJC would host the AGM in Charlotte in 2003.

I have a friend who says "the hard part is the fun part." If so, we had a lot of fun planning for the AGM. We had to settle on a venue, plan the arrangements for the JCNA board meeting and the general meeting, organize educational workshops (club management, wire wheel maintenance), provide optional entertainment (driving classes

at the Speedway, Nascar shop tours), and preside over the awards banquet.

The 2003 AGM was only possible with the help of many club members. We reported to the club afterward that at least 55 members of CJC were involved either on site in Charlotte or before or after the meeting itself. Club members involved included Dave and Becky Eckrote, Ron and Karen Bennett, Steve Thomas, Hav and Isabel Parrish, Mimi and Jim Morton, Ken and Phyllis Watts, Don Koepnick, Mary and Jerry Turner, Tony Hantjis, Jerry and Naoma Ellison, Steve Thomas, Mike Fulton, Mark Lovello, Dick Geoghegan, Joanna Moses-Elliott, and Wade Polard. Then JCNA President Gary Hagopian said he "had been to every AGM since 1991 and never been to a better one."

2003 AGM Delegate meeting

The fact that so many members who participated in the 2003 AGM are still active members is testimony to the longevity and vitality of CJC. One of the positives of tackling such a major project is it requires participation of a large part of the group and forms bonds of shared experience among the members. Should we consider another JCNA AGM by CJC in CLT?

We would like to extend a personal invitation to the Carolina Jaguar Club to consider entering a car or a team into our Cannonball 2018 events.

Cannonball is one of the most unique motoring fraternities in the world with breath-taking driving routes, luxurious hospitality and that rare 'camaraderie' that makes Cannonball a truly unforgettable experience.

This is the 10th anniversary of Cannonball and in 2018 we look forward to four exciting events; the Lions Trip in March, The Grand Highlands Tour in May, Ireland in September and the US in October.

The Irish event has now raised almost €1,000,000 for Charities and over 180,000 spectators will line the streets in Ireland this September to soak up the electric Cannonball atmosphere in each host town. Lifelong friendships are forged within the network of 450 like-minded 'Cannonballers' and the most random hilariously funny moments make this a truly inimitable experience.

We can also organize a bespoke event just for your car club taking in Castles and Country Houses and such world-famous attractions as The Wild Atlantic Way, The Ring of Kerry and The Giants Causeway whilst also exposing the 'Hidden Ireland' that only a local would know.

Hotels, meals, entertainment, routes, security, ground crew, travel, itineraries and every single detail is taken care of by the Cannonball team with preferential rates.

For more information please visit our website www.cannonball.ie or feel free to call me personally on ++ 353 45 409099 / ++ 353 87 2612851.

Brand new full harness for Jaguar XK150DHC (dual bulb tail lamp model)

During the restoration of my late 1958/early 1959 XK150DHC, we ordered the wrong harness in error. The error was only discovered during fitting. It turns out that my vehicle was a few numbers short of the one for which the harness is designed. The harness for sale is for a mid-to-late 1959 model with DUAL BULBS in the tail lamps (Oct. 1959 onwards, #838458 onwards). Because we had opened the package the supplier would not take it back, so we had to buy a new one. The wrong one was carefully removed and is packed carefully in a box ready for shipping. Detailed photos of each component available upon request.
