CJC Joins BMCCF for Brits at the Battleship

As previously reported in the February issue, we plan to join the British Motor Club of the Cape Fear as they celebrate our 20th Anniversary car show "Brits at the Battleship". It has been too long since we attended this event as a planned CJC event. Always well organized and geared for pure fun for fans of British Motor cars, this year's event returns to the USS North Carolina Battleship Park in Wilmington, NC.

Register your car or not and make your reservations and hook up with fellow CJC'ers to caravan down if you would like. Wilmington is a great coastal city and you can take a tour of the Battleship North Carolina if you so desire.

Register online or download and mail in our registration form.

DIANE DUFOUR
CJC PRESIDENT

Ron Kuligowski and I attended the JCNA Annual General Meeting in San Antonio, Texas last month. I enjoyed seeing the now familiar faces within the JCNA organization. My first AGM initiation was in Philadelphia in 2014 when I attended as the Jaguar Journal's new advertising manager – not a

delegate representing Carolina Jaguar Club. The meeting coincided with a late winter/early spring snowstorm. My fondest memory of that trip is Ron and Barbara Kuligowski, Naoma Ellison, Linda Hayden and I walking around Philadelphia in the snowstorm trying to catch a cab. As is often the case, inclement weather makes an event memorable. Here's a question to prove my point: which concours in Little Switzerland comes to mind first? You probably thought of the rain-soaked concours in 2013. No one got deductions for water spots that year.

In my brief AGM experience, this year's meeting was more relaxed and flowed more smoothly through the agenda than previous years' that had topics that generated heated debates. The only topic discussed at any length was the XK120 Concours Guide. The following is from Peter Crespín's AGM summary in the May/June issue of the Jaguar Journal. "This new guide was approved in the main meeting and will be added to the list of JCNA publications after being trialed in 2018 at selected events. Test use will check specifically for any clashes with existing JCNA rules. In addition, its practically will be tested – as if it requires, say, a significant increase in judging time from the current six minutes, this would have potentially serious impact on judge resources or entry numbers. With another XK originality book being published this year, albeit at many times the cost of the JCNA guide, the potential exists for clashes of opinion and formal complaints about concours scores. Meanwhile, the fact that wire wheels would now be permitted meant the meeting agreed that calipers or drums must now be judged for cleanliness, where before it was a non-issue due to disc wheels hiding these components. Whitewalls will not be

allowed on XK120s as they were offered as an option only on XK140 accessory lists."

The awards banquet was on Saturday night. Jerry and Naoma Ellison accepted their first-place trophy for their XK140. John Stewart won first place in the technical writing category for his article entitled, Tiny Tech Tips, which appeared in The Litter Box, February 2017 issue. In John's absence, it was my pleasure to accept the award which will be presented to John at an upcoming meeting. Jerry Cohen, our newsletter-editor-for-life, told me this is the third technical writing award for The Litter Box with the previous two awarded to Harvey Ferris. The 2019 AGM will be held at Jaguar Land Rover's new headquarters in Mahwah, New Jersey.

Next Saturday, April 21, I look forward to seeing you at the Gathering at Shelton Vineyards. We will meet after lunch – around 1:30 or 2 – near where our cars are parked on the grounds. Don't worry, I'll find you.

Regards,

Diane

Special Carolina Jaguar Club 2018 Concours Section:

**By David and Rhonda Ballard
Co-Chairpersons for the Concours**

REGISTRATION IS NOW OPEN!

We are at T-minus 13.5 weeks from the start of our 2018 CJC HEAD FOR THE MOUNTAINS Concours, being held from July 12 to July 14! Can you believe the mountains received snow this weekend, and we're looking forward to temps between 70-80 degrees in just a short amount of time?

Planning continues, with a few details still in process. Particulars below:

ROOM AVAILABILITY:

Please make sure to call Switzerland Inn soon to reserve your room! They will be opening any remaining rooms up to the public in June.

REGISTRATION IS OPEN !

We have finalized the registration details and form, and it will be sent out in this newsletter, as well as via blast email. We are accepting checks as payment, and as always, payment must be made prior to joining in the fun and/or entering your car for judging. A few notes on the registration:

Costs to the club have increased, so you will notice the increases in the registration.

Your personal registration costs have been the same price for over 5 years. They have been raised to help cover the administrative supplies used for the event.

It was previously understood the meal and the drink costs included taxes and gratuity but we were informed they did not. The Inn has now included taxes and gratuity in the meal and drink ticket costs.

Drink tickets can only be used at the Patio Bar cocktail hour that precedes the Friday and Saturday night dinners. They are good for one beer, one wine or one simple cocktail. You will receive one drink ticket per person with each registration. You may pre-purchase additional drink tickets on your registration for \$7 each (slightly less than our cost from the Inn).

FRIDAY DRIVE EVENT:

We currently have three possibilities:

One idea from Don Koepnick is to visit the Moses Cone Manor which is just outside Blowing Rock. It would make for an easy Friday drive and folks could continue into downtown Blowing Rock, for those who like to shop.

(Continued on page 5)

(Continued from page 4)

Another idea is to provide maps for folks to take their own self-guided tours to various places of interest around the area.

And finally, we thought about maybe a scavenger hunt that would take you along a guided route, while you tried to locate answers to questions about some of the sights you'd be seeing along the way. Of course, there would be prizes!

Let us know which drive event you'd like to see at this year's Concours! Email us at CarolinaJagMan@carolina.rr.com .

FRIDAY EVENING ENTERTAINMENT:

We have reached out to a gentleman with RM Auctions, to see if he would like to speak with us at our Friday Evening event. We should know something more definitive in the coming weeks.

I think everyone enjoyed our movie last year, so we'll be showing another one this year! Let us know what movie you'd like to see – last year we watched *The Italian Job*. Email us at CarolinaJagMan@carolina.rr.com with your favorite movie title. Popcorn will be available!

The CONCOURS Itself – Saturday, July 14:

As in past years, the plan is to park the Judged cars on the grass behind the Restaurant, and the Display cars behind the Inn. Our Field Team will begin escorting cars to their appointed positions on Saturday at 08:00am. There will be no parking on the field prior to Saturday 8am. And all cars must be escorted – both Judged and Display.

Our Concours has become very popular to surrounding car clubs and enthusiasts. Because we are dedicated to the safety of our people, the Inn's property, and our vehicles, and based upon our experiences over the past 4 years, we will be limiting the number of Judged vehicles on the grass field to 30 (same as last year), and the Display vehicles on the grass field to 10. Of course, using the grass area is always subject to weather and at the Inn's discretion. This does not limit the amount of vehicles to be judged or displayed!

Overflow (or inclement weather) parking for Judged vehicles will be in the parking lot nearest the tennis court; overflow (or inclement weather) parking for Display vehicles will be in the parking lot nearest Geneva Hall.

SILENT AUCTION:

Barbara Ann Caudill and Colleen Lloyd-Roberts have volunteered to lead the Silent Auction, which is one of the most enjoyable events all weekend! Their team will set up the auction items in the Inn's Great Room. Your mission? To bid on items you could not bear to leave without. Write your name and bid amount on the associated form, then come back multiple times to assure yours is still the highest bid. Then after the Awards presentation, find out if you've won your selected items! Payments will again be accepted via cash, check or credit card. Also – why not do a little Spring cleaning and donate a few items to the cause? Contact Barbara Ann or Colleen if you can volunteer or if you have items to donate.

ASSISTANCE NEEDED:

We need your help. Putting on this event is a TEAM sport. We simply cannot make this work without YOU. When we say "you", we literally mean EVERY ONE of YOU. Giving 2 hours of your 57 hours to help out should be a no-brainer. If everyone gives some, no one is required to give all. Make it enjoyable for all by doing your part. Email us at CarolinaJagMan@carolina.rr.com today with your preference.

IN THE REARVIEW MIRROR (Part10) by Bill Bingham

Our Club's Family Tree

By Bill Bingham

Whew! I've got to catch my breath after climbing from the sub-basement of the club archives to bring this month's article. So you ask how far back we're going? To the mid-nineties again? Au contraire, Pierre! Did you travel with Don McLean as he "drove his Chevy to the levee?" Or with America as they cruised "Ventura Highway in the sunshine?" If so, you may guess we're off to the seventies...

If you remember from my Litter Box article last year about the formation of our club in 1992, Jim Morton was the unofficial club historian and I obtained a lot of his material from Mimi Morton after Jim died. Among the papers was a scrapbook that Jim's notes said he had obtained from long time CJC members Von and Sally Patterson. The scrapbook contained correspondence and photos from the formation of a "Carolina Jaguar Club" in the Summer of 1972.

The correspondence was generated by Frank Butler who was the first president of that club. From information in the scrapbook, I realized the initial members were primarily from the Raleigh/Durham/Chapel Hill area. So I consulted with CJC member and tribal elder Steve Thomas to see what tribal memories he could conjure up. Steve remembered Frank Butler and knew he had recently died, but he put me in contact with Frank's son, Ed Butler, who lives in Apex, NC.

I've visited with Ed (who is restoring an E-Type originally owned by his father) and had a good conversation about his father's love for Jaguars. Frank's passion for Jaguars ran deep; Ed estimates Frank owned thirty or more including a barn-find that came with a snake living in it. The letters in the scrapbook are between Frank Butler and F. S. Horner and document the affiliation of that club with JCNA (see this on the next page). Horner was executive secretary of JCNA from 1970 to 1979. Some of you may recognize his name from the Fred Horner Sportsmanship Award that is presented annually at the Annual General Meeting of JCNA. The affiliation agreement for the "Carolina Jaguar Club" is dated July 17, 1972, and signed by Horner and Butler.

The scrapbook contains some photos and a newspaper article of a club gathering at Duke Forest in August, 1972. The photos accompanying this article are reproductions of black and white prints in the scrapbook. Captions in the newspaper article identify Frank Butler, Hank Thompson (of Thompson Cadillac in Raleigh), Chris Bechard (of Foreign Accents), Tom Hill, Bill Bland, and Robert and Betsy Denny as some of the members at the gathering. There are also a flyer and some navigation notes for a road rally the club held in November of 1972 that spanned four counties.

(Continued on page 14)

(Continued from page 13)

The final item in the scrapbook is a club newsletter announcing that the 1972 Holiday Gathering would be at the Pound Sterling Pub in Durham.

(l to r) Bill Bland, Frank Butler, and Chris Bechard examining Bill Bland's XK 120.

That's where the scrapbook ends. Ed provided me his father's partial history of his Jaguar owning experiences and the history says the club continued for a couple more years before dwindling attendance ended it. However, I noted in my Litter Box article last year that the 1992 newsletter documenting the formation of "our" CJC in 1992 said that Sally Patterson came up with the name Carolina Jaguar Club for our club. Since this scrapbook I'm describing was given to Jim Morton by Sally and Von Patterson, I'd like to think the name and spirit of our Carolina Jaguar Club can trace its DNA back to Frank Butler and the other Jaguar lovers that gathered to form that club in the Summer of 1972.

Facebook Expanded

By Richard Lloyd Roberts, CJC Webmaster

Over the last year or so I have been monitoring the Facebook page for the CJC. It has become apparent that the Facebook page is good to announce events and club news but is not user friendly for club members. We have had complaints that the page will not allow members to post images etc.

I joined the XK Owners Club and the Jaguar Drivers Club which are both UK Jaguar owners clubs. The format for these clubs is to utilize a Facebook Group. Groups work differently than pages in Facebook. They allow more inter user interaction, less restrictions for members to communicate with each other, post pictures, stuff for sale etc.

With that in mind, last month we started a CJC Facebook Group. Its easy to join. Just go to the page and click the pinned link at the top. You can add friends easily by clicking add friends links. Also if you make a post comment or create a post you will see the feed in your own timeline.

We are going to keep the CJC page active as an events, club news, business page and so please visit that also.

Feedback is always welcome and can be done so via the group. We are trying to make the user experience for our members easier and more interactive.

Brand new full harness for Jaguar XK150DHC (dual bulb tail lamp model)

During the restoration of my late 1958/early 1959 XK150DHC, we ordered the wrong harness in error. The error was only discovered during fitting. It turns out that my vehicle was a few numbers short of the one for which the harness is designed. The harness for sale is for a mid-to-late 1959 model with DUAL BULBS in the tail lamps (Oct. 1959 onwards, #838458 onwards). Because we had opened the package the supplier would not take it back, so we had to buy a new one. The wrong one was carefully removed and is packed carefully in a box ready for shipping. Detailed photos of each component available upon request.

\$450 OBO plus \$35 shipping.
