## *Celebrate the Holidays at The Speedway!*

*By Richard Lloyd Roberts, VP, Events*

Saturday December 14th you will have a chance to combine two things into one. Who would not like to drive their Jaguar on the oval at Charlotte Motor Speedway? Who doesn't enjoy cruising to see the holiday light displays? Well you get to do both with The Carolina Jaguar Club Holiday gathering on Friday through Sunday December 13-15.

### **The evening of the 14th we will make the desire to drive the oval and see holiday lights come true!**

Speedway Christmas has returned to Charlotte Motor Speedway, and it's bigger and better than ever! The 10th edition of Charlotte's spectacular drive-through light show features more than 4 million lights over a remarkable, 3.75-mile course that includes most of the oval as well as the infield and the ROVAL™! But you can do more than just look – listen, too! Tune into **101.3 FM to enjoy Christmas music** as you take in illuminated Christmas displays.

**Advance Tickets are sold for the vehicle only – Car, Truck, Min Van, and SUV by going to The Carolina Club website [www.carolinajaguarclub.com](http://www.carolinajaguarclub.com) to order your ticket and pay on the website. We must have your order in advance for the group to go at our assigned time of 5:30 PM, cost is \$30 per car.**

### **But there is more this is just the highlight of the weekend.**

I am happy to announce the Christmas party details for 2019. This party will be held in Charlotte, NC on December 13th/14th leaving the 15th.

We have a block of rooms booked at the **Four Points Sheraton in Huntersville NC. \$99/ per night.** Here's your reservation link your guests can use to make reservations: [\*\*Book your group rate for CAROLINA JAGUAR CLUB\*\*](#)

**CJC PRESIDENT**

Winter is upon us!! As I write this article I am also thinking about the winterizing of cars and home. In the Lake Norman area we are looking at record setting low temperatures. I do enjoy the four seasons we have here in the Carolinas, but record setting low temperatures is not as enjoyable as it was in younger years.

We had sunny skies and mild temperatures at the Hilton Head Car Club Showcase on Saturday November 2nd. I thank all who volunteered to participate in the Car Club Showcase and represent our club at this event. Special recognition goes to Dr. Jerry Ellison who won best English Car award for his XK 140 and Eric Dunn with a blue ribbon for his beautiful E Type. There were some incredibly outstanding and unique automobiles, boats and motorcycles on display. I had never seen a Tucker automobile, only pictures and models, so that was quite unique. However I believe my favorite was seeing the 1907 Thomas Flyer who won a round the world race in that year. There was a gentleman displaying the automobile and telling the fascinating story of that race.

I would like to thank everyone who participated in our club officer elections Saturday. I think we have an excellent group of officers and I look forward to working with all of them. I appreciate those elected to be willing to serve next year.

I hope everyone is looking forward to our Christmas event with dinner Saturday night at the Speedway Club at the Charlotte Motor Speedway and a tour of the Christmas lights around and inside the race track.

Many thanks to Cary Land Rover Jaguar for hosting our annual membership and officer election event again this year. They have hosted this event the past several years and we are grateful for their continued hospitality.

Safe Travels

The November meeting is in the history books and a new slate of officers are ready to serve the club for 2020. The meeting was hosted by Jaguar Cary on the floor of their showroom with gifts, prizes, and a delicious Italian lunch. Besides the business meeting and the election of 2020 officers, the club also approved changes to our By-Laws as finalized by Bill Bingham.

## Review of EURO Autofest 2019

By Jerry Cohen, CJC Editor

This article requires few words; rain, wind, soggy turf, puddles, gray skies, and European cars. Did I mention more rain? Might I also add, hardy enthusiasts who showed their cars then huddled under tents and sought protection from the elements inside their cars.

There were 280 cars registered. I don't know how many actually showed up, but the turnout was decent. They had 21 Jaguars registered, but only 15 showed up.

This is the second time I have entered my XJS in a show, the first time being at the Gathering at Shelton Vineyards. If you recall that was a windy, rainy event as well. I best leave the XJS at home from now on for the well being of all the other entrants.

All in all, our club faired well with Ted Hill winning first in class with his 2004 XKR Portfolio convertible. Jerry and Naoma Ellison took first in class with their 1956 XK140 OTS.

Barbara Merlie was kind enough to share her photos: Below Brad and Barbara enter the show field and park.

Plenty of open space with 6 no shows from Jaguar owners:

Paul Ianuario presents Dr. Jerry Ellison his award for 1st in class:

Ted Hill is given his award by Paul Ianuario

Below is my rain soaked 1996 XJS Celebration Edition. You probably will not see it at a show again unless we are called to duty to break a drought.

The water is beading off nicely. No prize for best wax job.

## Recommendation:

By Jerry Cohen

Last year I had followed a recommendation from my daughter, Laura who had recently moved to Columbia City, Washington. She told me about a bookstore across from her apartment that had a large collection of automobile publications.

I was in the need of an original owners manual for my 1996 XJS. I went on their website and found what I needed and ordered it. It arrived in like new condition with the bonus of being in a leather portfolio with an em-

bossed Jaguar Leaper on the outside. I wrote about in in a past issue of the LB. This August found me in Columbia City visiting my daughter so I checked out the store. It is nothing to look at from the outside, but inside is mind boggling. I have never seen so much stuff! Shop manuals, service bulletins, parts catalogues, sales materials on everything from Aston Martins to Zephers. If you are looking for it they have it, if not it is no longer on the planet earth.

books4cars.com stocks over 50,000 automotive books. The correct auto repair manual & book for every truck, motorcycle, classic car, sports car, new car, old car, collector car, muscle car, hot rod, & race car.
