General Information

These two hotels are in the same parking lot even though the two addresses don't show that to be true. The Garden Inn is only 7 months old, while the Residence Inn is 7-8 years old. Both are extremely clean and located right next to the Opryland complex of shopping mall, Gaylord Hotel, etc. While the rooms at the Garden Inn are very normal in size for a hotel, the rooms at the Residence Inn are very large with a kitchen and separate sitting area (with sofa and table) in addition to the sleeping and bath areas.

Note the included Breakfast at the Residence Inn, while the breakfast at the Garden Inn is from the onsite restaurant at \$14.95 per person. You may need to ask for a walk-in shower or a tub/shower layout as well as a comfort rise commode.

- Each day's drive will begin around 9AM and return around 5PM.
- We will rotate to different restaurants, with different couples each night.
